WEEK 1 - JULY 13-17

🌈 Rainbow Week

Each day of the week will feature a different colour of the rainbow! Skaters are encouraged to dress head-to-toe in the colour of the day:

Monday – Red
Tuesday – Orange
Wednesday – Yellow
Thursday – Green
Friday – Blue

Get creative and have fun showing your team spirit through colourful outfits and accessories — while still making sure you can safely skate in your attire!

WEEK 2 - JULY 20-24

🎉 Wacky Hair, Don't Care

Break out the hairspray, colours, braids, buns, spikes, and crazy styles! Skaters are encouraged to come to the rink with their wildest and most creative hairstyles. Temporary colour spray, fun accessories, and themed hair creations are encouraged — just make sure your hair is secure and safe for skating!

WEEK 3 - JULY 27-31

✨ Sparkle Spectacular Week

It's time to shine! Wear as much sparkle, metallic, glitter, sequins, and shimmer as you can. Whether it's rhinestones, shiny leggings, sparkly scrunchies, or metallic accessories, we want the rink glowing all week long! Please ensure all outfits and accessories are safe and comfortable to skate in.

WEEK 4 - AUGUST 3-7

Inspired On Ice Week ⛸️✨

Dress as your favourite figure skater (Alysa Liu, is that you!?), coach, or someone else who inspires you! This could include competition-inspired outfits, signature colours/styles, or fun accessories that represent them. Most importantly, all outfits must still be safe and comfortable to skate in.

WEEK 5 - AUGUST 10-14

Anything But a Water Bottle Week 💧😂

Get creative and bring your water to the rink in anything *except* a water bottle! Think measuring cups, watering cans, sports trophies, cereal containers, or giant cups with straws. Please make sure your container is safe, leak-proof, and **not made of glass**.

WEEK 6 - AUGUST 17-21

Twinning Is Winning 👯

Grab a teammate and dress like identical twins! Matching outfits, hairstyles, accessories, and colours are all encouraged. The more identical, the better! Be creative, have fun, and show off your best synchronized style on and off the ice.

WEEK 7 - AUGUST 24-28

Monochrome Madness 🎨

Pick a colour and wear as much of it as possible! From head-to-toe outfits to matching accessories, skaters are encouraged to fully commit to one colour theme. Bright, bold, pastel, neon — anything goes!

WEEK 8 - AUGUST 31-SEPT 4

Tropic Like It's Hot 🌴☀️

Bring the vacation vibes to the rink! Skaters are encouraged to wear tropical shirts, flower leis, hula skirts, sunglasses, beach hats, inflatable floaties, and other fun vacation-themed gear. Think beach day, tropical getaway, or pool party fun — while still making sure you can safely skate in your outfit!
