## **Campbell River Skating Club 2023 Ice Show Sponsorship**

To Whom It May Concern,

The Campbell River Skating Club is a non-profit organization that has been in operation for 50 years based out of the Strathcona Gardens Recreation Complex. We have various programs for all ages, including learn to skate, figure skating, and power skating. These programs are all sanctioned by Skate Canada and are offered at an elite level from coast to coast.

March 11, 2023 will mark our first Ice Show since 2020. It is also the 50th Anniversary of the Campbell River Skating Club and we will be celebrating this milestone through this production.

On behalf of the dedicated members and coaching staff of the CRSC, we ask you to consider a few of our sponsorship options below which will assist with the costs of putting on the show, such as ice fees, props, costumes, and production.

The funds raised through this and other fundraising initiatives will help offset the costs to the community, skaters, and club for the production of the Ice Show.

We will be hosting a Silent Auction table in the lobby during the Ice Show. Any donation in kind for our Silent Auction is helpful and greatly appreciated. If you are able to make a donation, your company logo and/or ad will be placed into the program for this event. The size of the ad will be determined by the value of the donation. The ad breakdown is as follows:

### **Title Sponsorship - \$2500**

- 1 Full Page advertisement of your business as well as your business name as the Title Sponsor presenting the 2023 Ice Show. You will also receive Social Media and CRSC Website advertising with direct links to your webpage.

<b>Gold - \$1000</b>	<b>Silver - \$500</b>	<b>Bronze - \$250</b>
1 Full Page advertisement of your business along with Social Media and CRSC Website advertising.	½ Page advertisement of your business	¼ Page advertisement of your business

***We invite you to consider contributing to the success of the CRSC this season through your generous donation.***

Sincerely,

Kelsey Cochrane
