Remaining time may be used for corrections

IMPORTANT NOTES:

Registration fee of \$13 covers event participation only, regardless of the number of events. Note that lesson time will be billed separately.

Skaters should arrive at the arena fully dressed in accordance with the guidelines in their level-specific Competition Preparation Package. Ideally, arrival should be about 45-60 minutes early, though it is understood that some may be coming directly from school. Upon arrival, skaters must check in at the registration table.

S2+ skaters are required to give their flash drive to the coach running the warm-up. A coach will conduct an off-ice warm-up in the Rink 1 lobby, 45 minutes prior to their event start time, after which skaters will be released 15 minutes before their scheduled ice time to put on skates.

Competition Prep Sessions are available for skaters to attend in their respective levels. Attendance is strongly encouraged.

Contact your primary coach with any questions you may have.
